

CPSC 304 Project Cover Page

Milestone #: 3

Date: Oct. 30th, 2023

Group Number: 152

Name	Student Number	CS Alias (Userid)	Preferred E-mail Address
Shariq Hassan	48238018	e1d2g	shariqhassan@gmail.com
Nima Motieifard	66492497	b8m2i	nima.motieifard@gmail.com
Farouk Sharkia	53860227	n7d3b	farouks@student.ubc.ca

By typing our names and student numbers in the above table, we certify that the work in the attached assignment was performed solely by those whose names and student IDs are included above. (In the case of Project Milestone 0, the main purpose of this page is for you to let us know your e-mail address, and then let us assign you to a TA for your project supervisor.)

In addition, we indicate that we are fully aware of the rules and consequences of plagiarism, as set forth by the Department of Computer Science and the University of British Columbia

Project Summary

The project involves developing a Sports Entertainment Information System catering to sports enthusiasts seeking information on specific teams, players, and leagues. The system aims to provide an accessible and user-friendly platform for accessing dynamic sports data, focusing on a limited number of leagues and relevant team information. It serves as a valuable resource for fans and sports analysts, enabling them to track team and player performances, compare achievements, and stay updated on the evolving landscape of sports entertainment.
